WELCOME TO ROSLYN WAKARI AFC

On behalf of the Roslyn Wakari Committee and Club Office bearers we'd like welcome you to the club for 2020 and wish you a great season ahead.

This guide has been put together to give you a quick reference on how you can access information, advice or support relating to your time at Roslyn Wakari AFC. While this is not a definitive manual you will find all your key contacts and line of sight channels should you need it.

Obviously the COVID-19 pandemic has not just impacted our Football season, but all New Zealanders and societies worldwide have been affected by what is an extraordinarily challenging time in our lives. As we all move back to a resemblance of normality from our time in lockdown the Roslyn Wakari football club will be our gathering place for fellowship, fun and football, as it's always been. We undoubtedly know the pandemics ongoing impact will be with us for some time, but fortunately now it's about getting our boots on, get some mud on the knees, kick a ball around and reflecting over a beverage afterwards.

1. **Thank you, Wayne and Mark – Co-Presidents**

WHO WE ARE

Founded in 1888 Roslyn Wakari is one of New Zealand's oldest football clubs. We are also one of the South Island's largest football clubs enjoying a membership of over 500 players, there is a Roslyn Wakari team, sometimes two, competing in every grade of Football South's Dunedin competitions.

Our home, Ellis Park, has three competition grounds, various pre-season training venues, five specialist floodlit training areas and an indoor gymnasium. We have our own Football Development Officer who provides assistance to all coaches and players within the club and in 2019 we initiated our player Scholarship program.

Our club's objective is to always promote the enjoyment of playing football across all ages and we strive for an environment where members can be their best. Recently, Roslyn Wakari have launched some very exciting projects (with a priority on improving our facilities) that came from a 2019 Fifty-year vision meeting held in 2019, and more are underway that will ensure sustainable membership growth, success and fellowship for the club in years to come.

Our strategic plan has given us further direction and our revamped club website has provided the world with further information. But perhaps the most exciting initiative has seen the brewing of our own beer, the "Late Tackle" which is available from the bar and soon to be in bottled form.

EXPECTATIONS OF OUR MEMBERS & PLAYERS

As a Club competing in the Football South leagues, Roslyn Wakari expects all Players, Members and Supporters to abide by the RWAFC and NZ Football Code of Ethics and Codes of Conduct.

These Codes cover the expectations of all Players, Coaches, Members and Supporters throughout the season including when training, playing, travelling and Club gatherings. These also include interacting with our wider community and engaging on social media such as Facebook etc. while representing Roslyn Wakari.

In the unlikely event you breach any behaviour expectations, on or off the field, Roslyn Wakari expect all costs arising from any fine related to disciplinary action, including Referee bookings to be covered by the Player.

Furthermore, in severe cases, the club will convene its judiciary panel and you will be required to appear before them. Your account at this meeting is very important as Roslyn Wakari can often assist should it escalate to a Football South judiciary or be of interest to the NZ Police.

However, this must be very clear, Roslyn Wakari has a Zero Tolerance for any form of Abuse – Racial, Religious, Sexual, Physical or Emotional. If you feel you have been subjected to any of these behaviours please contact either of the Club Captains for a confidential meeting.

It is important that all coaches keep themselves safe and not to put themselves at risk e.g. not being left alone with a child, not organising one on one individual coaching sessions, not contacting juniors, minors and others via social media etc.

If you have any Club related matters, please raise these, we in turn will endeavour to do our best to resolve issues and support you. Issues can be raised with your Coach as a starting point, however if you are not comfortable with this you can contact the Men's or Women's Club Captains directly. In all cases, anything brought to them will be dealt with confidentially.

At all times please respect your opposition, your team mates, your Club and yourself.
